Summary

Motivated Computer Science student with a strong foundation in Java, problem solving, and object-oriented programming. Hands-on experience in developing small projects and solving coding problems. Looking for opportunities to apply my skills.

Skills

Programming Languages: Java (Core Java)

Core Concepts: Object-Oriented Programming, Exception Handling

Web Technologies: HTML, CSS (basic)

Database: MySQL (basic)

Tools and Technologies: GitHub, Eclipse, VS Code

Projects

Amazon Clone Website | *HTML and CSS*

January 2026 – February 2026

- Enhanced a responsive e-commerce clone website using HTML and CSS.
- Constructed homepage, product listings, navigation menu, and footer section.
- Used Flexbox, Grid, and Media Queries for responsive design.
- Added hover effects and smooth UI styling.
- Maintained clean and structured code.
- Improved frontend development and web design skills.

My Portfolio Website | *HTML and CSS*

December 2025 – January 2026

- Created a personal portfolio website to showcase projects and technical skills.
- Designed a responsive user interface using HTML and CSS.
- Organized content into structured sections like About, Projects, and Contact.

Basic Calculator | *HTML, CSS and JavaScript*

December 2025 – January 2026

- Established a functional calculator using HTML, CSS, and JavaScript.
- Optimised user-friendly calculator interface with responsive layout.
- Implemented arithmetic operations such as addition, subtraction, multiplication, and division.
- Added clear, delete, and decimal point functionalities.
- Used JavaScript DOM manipulation for button click events.
- Handled input validation and error-free calculations.
- Used JavaScript DOM manipulation for button click events.

Achievements & Certifications

- **Hackerrank:** Achieved 5 badges on Hackerrank (Java) by consistently solving programming and problem-solving challenges.
- **Infosys Springboard:** Successfully completed Java Programming Certification from Infosys Springboard, gaining hands-on knowledge in Core Java, Object Oriented Programming, and exception handling.

Education

Master of Computer Applications(M.CA.)

Expected: 2025 - 2027

Aditya University, surampalem (Kakinada)

Bachelor of Computer Applications(B.CA.)

Graduated: 2025

Andhra Loyola College, Vijayawada
